Notes:

As per Regulation 14 of CIRP Regulations -

1 Where the amount claimed by a creditor is not precise due to any contingency or other reason, the interim resolution professional or the resolution professional, as the case may be, shall make the best estimate of the amount of the claim based on the information available with him. The interim resolution professional or the resolution professional, as the case may be, shall revise the amounts of claims admitted, including the estimates of claims made under sub regulation (1), as soon as may be practicable, when he comes across additional information warranting such revision.

2	Amount admitted may undergo change incase the Interim Resolution Professional comes across any additional evidence/document, warranting such change in admitted amount.
3	The Official Exchange rate published by RBI on June 12, 2023 has been considered as the reference exchange rate
5	The IRP has received claims amounting to INR 17,57,42,446 from Trade & Taxes Department Delhi and Excise. These tax demands have been appealed by the Corporate Debtor vide appeal filed dated April 06, 2022 along with partial payment of INR 24,48,770 paid under protest. Pending outcome of this appeal, the amount as claimed by this authority has not yet materialised and is contingent in nature. The corporate debtor in its audited financial statements for the year ended March 31, 2022 has mentioned that these proceedings will not ultimately result in liability. Hence this claim has been provisionally admitted as INR 1 (Indian Rupee One only), as the IRP cannot adjudicate disputed claims. The accepted amount of such claim may be modified if further facts are made available to IRP's/RP's attention.
6	The IRP has received claims of INR 13,63,55,743 from Excise and Taxation Department, Government of Haryana (GST Intelligence Unit). The said claim is still under investigation by the authorities and being contested by the Corporate Debtor and hence not yet been materialised and is contingent in nature. The corporate debtor in its audited financial statements for the year ended March 31, 2022 has mentioned that these proceedings will not ultimately result in liability. Hence this claim has been provisionally admitted at INR 1 (Indian Rupee One only). The same may be modified as more facts are presented to the attention of the IRP/RP.
7	The IRP has received claims of INR 17,22,205 from Shibpur division, Howrah Commissionerate, West Bengal. The said claim is not admitted by the IRP/RP, since the GSTN number 19AACZ8225H1Z1 issued to the Corporate Debtor by the department was cancelled on March 10, 2022. It is understood that the said registration was cancelled by the department itself, only after all demands / notices against the Corporate Debtor with respect to the aforesaid GSTN, were resolved / closed and no dues remained pending against the Corporate Debtor as on the date of cancellation of registration and the Insolvency Commencement Date itself.
8	The RP has received claims of INR 9,97,95,125 from Department of State Tax, Maharashtra. The part of said claim amounting to INR 3,68,08,166 is being contested by the Corporate Debtor, having preferred writ petitions in the Bombay High Court against the orders of the state tax department for AY 2018-19 and 2019-20. The said part of the claim remains admitted at a notional amount of Re. 1, not having reached finality in its quantum. Remaining claim of INR 6,29,86,959 pertains to the assessment years 2018-19 and 2019-18. Upon perusal of records and books of records of the CD while taking into account the submissions made by the assessing officer via his letters, the RP is of the opinion that the amounts are not contestable as per books and records of CD. Hence the said claim is deemed to be contingent, having not reached finality in its outcome and has been admitted at a notional amount of Re 1 in full and hence considered contingent in view of the order of SC in the matter of Essar steel.
